This news article may cause misunderstanding among readers. Therefore, as the Karen National Union we proclaim to support the Peace Process by this statement.

At the NCCT Members Summit, the aim of the formation of the committee is for the duration of the summit period only, and to do the following:

1. To supervise the NCCT Members Summit for ensuring the smooth running of the summit.
2. To approve the agenda set by NCCT for the meeting.
3. To share responsibility in alternating as chairpersons during the summit.

Remark: The decision-making process regarding the Nationwide Ceasefire Agreement (NCA) is to seek consensus through negotiation among the leaders.
